I hope you can find this information usfull!

Melissa

We would like to invite you and your saddle club members to two awesome clinics that will be held in northern Minnesota this summer.

Jack Lieser, professional trainer and instructor from southern Texas, will be coming to Minnesota and will be leading a clinic at Rhino Arena, Hinckley, Minnesota on June 28 and 29. Topics will include ground work to lateral moves. Jack is very gifted with both students and horses and has trained and ridden with some of the world's best equine trainers and riders. He is known in Texas as the trainer that horse trainers send their problem horses to. You are also invited to Jack's free to the public colt starting demonstration on June 28 at 7 p.m. at Rhino Arena.

~The Great Wilderness Challenge~ will take place on June 5 – 9, near the famous Boundary Waters Canoe Area Wilderness, Gunflint Trail, Grand Marais, Minnesota. This equine and wilderness adventure will be set in a forested, private camp area near two lakes. Almost all meals are included in the price. Various accommodations are available. Jack Lieser will be the clinician and will teach us equine skills at horse camp to prepare us for the challenge. Skilled teams will be formed, with challenges presented to help equalize the skill levels of riders. Challenges may include such skills as water crossings, paddling a canoe, pulling a log through a forest trail, to name a few. It is sure to be a fun and educational experience for us all!

\*\*\*The highest scoring team will be invited to Jack Lieser's Nostalgia Ranch in South Texas for 3 days of clinics, including an ocean beach ride on South Padre Island!\*\*\*

We are very excited to be able to offer this caliber of clinics up North here! Thanks so much for passing this information on to your friends and saddle club. I would be more than happy to mail you some posters to pass around if that would be helpful in getting word out. I look forward to riding with you folks! Lilean Nicolaison, Grand Marais, MN.
